

## Cancellation Policy

We need at least 24 hours to fill a vacancy in our schedule. A \$50 fee will be applied to the account of the patient that misses their appointment or cancels within 24-hours of their appointment.

If a patient establishes a habit of missing appointments or cancelling appointments with less than 24-hour notice, the patient will not be permitted to make appointments in the conventional way. Patients fitting this description will be placed on the short-call list and will be called for same-day appointments only.

If a patient misses these short-call appointments or continues to cancel with less than 24-hour notice, the patient will be dismissed permanently from receiving treatment from our clinic.
